## Exhibit

1 Ventures' frequency: Genealogy by type of affiliation	85
---	----

## Tables

3.1 Major genesis events and initial conditions of the founding firms of the nine genealogies	48
4.1 Telrad's genealogy: Distribution of de-novos as a function of generation and founding year	86
4.2 Tadiran's genealogy: Distribution of de-novos as a function of generation and founding year	88
4.3 Elisra's genealogy: Distribution of de-novos as a function of generation and founding year	91
4.4 Orbit's genealogy: Distribution of de-novos as a function of generation and founding year	93
4.5 MIL's genealogy: Distribution of de-novos as a function of generation and founding year	95
4.6 ECI's genealogy: Distribution of de-novos as a function of generation and founding year	97
4.7 Fibronics' genealogy: Distribution of de-novos as a function of generation and founding year	99
4.8 Comverse's genealogy: Distribution of de-novos as a function of generation and founding year	101
4.9 RAD's genealogy: Distribution of de-novos as a function of generation and founding year	104

<b>4.10</b>	Ventures' frequency: Genealogy group by type of affiliation	107
<b>4.11</b>	Potency measures of the nine genealogies: Volume and pace of growth	108
<b>4.12</b>	Potency measures of the three genealogy groups	109
<b>4.13</b>	Potency measures of the nine genealogies: Volume and pace of growth	110
<b>4.14</b>	Potency measures of the three genealogy groups	111
<b>4.15</b>	Potency of the nine genealogies: Number of de-novos across years	112
<b>4.16</b>	Potency of the three genealogy groups: Number of de-novos across years	112
<b>4.17</b>	Potency of the nine genealogies: Number of de-novos across years	112
<b>4.18</b>	Potency of the three genealogy groups: Number of de-novos across years	113

## Figures

<b>4.1</b>	Telrad's genealogy: Founded firms by generation	87
<b>4.2</b>	Tadiran's genealogy: Founded firms by generation	89
<b>4.3</b>	Elisra's genealogy: Founded firms by generation	92
<b>4.4</b>	Orbit's genealogy: Founded firms by generation	94
<b>4.5</b>	MIL's genealogy: Founded firms by generation	96
<b>4.6</b>	ECI's genealogy: Founded firms by generation	98
<b>4.7</b>	Fibronics' genealogy: Founded firms by generation	100
<b>4.8</b>	Comverse's genealogy: Founded firms by generation	102
<b>4.9</b>	RAD's genealogy: Founded firms by generation	105
