

Figures

3.1 Number of Naturalizations, 1990–2002	36
4.1. Age and Predicted Probabilities of Voting by Race and Immigrant Generation	47
4.2. Education and Predicted Probabilities of Voting by Race and Immigrant Generation	49
4.3. Income and Predicted Probabilities of Voting by Race and Immigrant Generation	51
5.1. An Empirical Model of Immigrant Voting Participation	73
5.2. Patterns of Intergenerational Differences in Participation	78
5.3. Predicted Probabilities of Participation by Length of Stay in the United States Among First-Generation Immigrants	83
5.4. Predicted Probabilities of Participation by Immigrant Generation	84
5.5. Predicted Probability of Voting by Country or Region of Origin Among First-Generation Immigrants	97
7.1. Participation Inequalities Based on Race and Immigrant Generation, Before and After Demographic Controls	157
