

Acknowledgments

The essays in this book were originally prepared for and presented as a lecture series at Amherst College during the 2001–2002 academic year. We are grateful to our Amherst College colleagues David Delaney and Nasser Hussain for their enthusiastic and helpful participation in that series. We thank our students in Amherst College's Department of Law, Jurisprudence & Social Thought for their interest in the issues addressed in this book. Finally, we would like to express our appreciation for generous financial support provided by the College's Charles Hamilton Houston Forum on Law and Social Change and to Amherst's former Dean of the Faculty, Lisa Raskin, for her interest and support.
